[Health Protection](#)

This leaflet contains information for people who have just had a COVID-19 vaccination, either first dose, second or booster dose. It contains information on the vaccine, potential side effects and what to do next.

A large print accessible version of this leaflet is available below as a Word document.

Signed videos of this leaflet are available in BSL and ISL:

- [BSL](#)
- [ISL](#)

Additional information

Translations of a previous version of this leaflet are available to download below. If you need this information in a language that is not available here, you can use the

ReachDeck facility on this website. This tool can translate and/or read aloud over 90 other languages. The full list of languages [available is here](#) and instructions for how to use the ReachDeck option are available to [download here](#).
