The shingles vaccine

Shingles can be very painful, especially for older people and people with a weaker immune system. Sometimes the pain can stop you from doing your normal activities. This leaflet describes shingles and outlines the benefits of the vaccine and who is eligible - those aged 50 years and older who are immunosuppressed and those aged 65 and 70 on 1 September.

Details

Format

1/3 A4 8 pages

Target group

People aged 50 and over who are immunosuppressed and those aged 65 and 70 who are eligible for the shingles vaccine
